

Dear _____,

I want to let you know about an exciting opportunity to support Durham Flight Athletics while advertising your business to a large number of families throughout the Triangle!

Durham Flight is a Christian organization founded in 2002 with the goal of providing competitive athletics for homeschoolers. The number of homeschooled students is growing at a rapid rate, and many of these talented young people want to pursue the fun, friendship, and personal growth offered through athletic competition. Flight has stepped up to fill that need, providing opportunities for youth to play volleyball, basketball, and most recently, golf. Our teams play against homeschool, private, and charter schools throughout North Carolina, and participate in local and regional tournaments. However, there are many costs involved in running our program such as gym rental, referees, insurance, and equipment. Without the support of generous sponsors, these expenses must be met solely through player participation fees, keeping the financial commitment too high for some families.

To thank you for your help, we would like to introduce your business to our friends and families! Your business information (logo and web address) will be featured on our website (www.durhamflight.com). In addition, Gold, Silver and Bronze Sponsor's names will be listed on a banner displayed at all home games.

If you are interested in becoming a valued Durham Flight sponsor, please visit our website at www.durhamflight.com and click on the sponsorship link.

Sponsorship amounts are:
