 - c) President's Report
 - i) Baseball/Softball is in full swing. Field cleanup day looks like it went smooth for the most part, and quick.
 - ii) I have been in contact with Saratoga County with getting our money. They officially got it changed so it's not a reimbursement grant anymore. Sounds like it's a 2-3 week process until we get the money.
 - iii) Met with Foote Sheds. The order has been placed and it should come in mid to late May. We will be moving the blue shed over to that pad as well. Met with the stone guy. We staked out the area behind the softball field where the pad will go. DPW cleared that out for us. Very thankful for Rob Decker and his crew. The new shed will have less windows than what was in the picture. But it will come with a lighting system that runs on a drill battery. They say it runs up to about 2 hours per battery and puts off real good light inside.
 - iv) Alex stepped up to be on the committee on how to spend \$4.5 million dollars that will be going towards the village with a focus on Fort Hardy. <https://villageofschuylerville.org/ny-forward/> This committee will run from the end of the month through December.
