

## **Red Raider Hockey Development Camp**

Camp Information: The Red Raider Hockey Development Camp has been established to allow Mites-Bantam age players the opportunity to develop and improve their hockey skills. This camp will consist of two different sessions, broken down by birth year and playing experience. All sessions will be held at the South Wood County Rec Center in Wisconsin Rapids. Sign up is on a first-come first-served basis, no exceptions. Registration must be received no later than Thursday July, 26th. (Squirt/Peewee/Bantam & Mite). \*All Camp sessions will be led by Lincoln High School Hockey Coaching Staff.

### **Session I: Mites**

Any player that will be a Mite during the 2018-2019 Hockey season is eligible for this session. This year for the Mite group we will combining skill development and small area games. This program is set up in a camp format where these young players will receive a session of skill development followed with the next session being small area games. During the small area games players will be matched with the same skill level as much as possible in order to keep the games competitive

### **Session II: Squirt/Peewee/Bantam**

Any player that will be a Squirt, Peewee, or Bantam during the 2018-2019 season is eligible with the exception of any players who will be Freshman in the upcoming school year. This year for this Squirt, Peewee, and Bantam age groups, we have designed a development camp that offers both skilled development and small area games. This program is set up in a camp format where these young players will receive a session of skilled development followed by the next session being small area games.
