Class Players of the Year, and Coaching Staffs of the Year
Kentucky High School Fast-Pitch Softball
*-updated June 14, 2025***

All State is in 3 classes determined by the KHSAA Track and Field Alignment. Miss Softball, All State, and Coaching Staff of the Year are voted on by the KSCA Members. Each member votes for his/her own class and may vote for the other 2 classes. *These awards will be presented at the East West All Star Series* See the KY Prep Tab on the website, and click on East West for more information about dates and times. The awards will be distributed to all those recipients that are in attendance. **These players must check-in at the press box (by noon on the first day of games) to have your name announced and receive your award. If you cannot make it when these awards are to be presented, please make arrangements to pick up the awards this weekend on either Saturday or Sunday at the games (or have someone pick them up for you).**
