6. Open discussion out of state teams are allowed to play in any tournaments they must submit a roster, NW championships they have to earn a spot. Prairie dog very

few pickups, we would like to keep teams pure not super teams. Must submit for classification

\$375 for out of town tournaments

Are we aware that paypal has a lower fee for 501C3 organizations, teams pay

3.9% + .30 for each team, it would be beneficial to look into this as it is only 1.7%. Dolan set it up for TSRL and it was super easy.

CD is getting blown up about teams picking up new players and complaining about their classification, if you have 6 d players from an old team and try and put it in as E they will get bumped before prairie dog. Anonymous 6 players from New way of life they must be going in as D team 1st tournament.

Please use your integrity as a director or coach and classify your team appropriately.

Klutch 6 players are going to a new team and they want to play on a new team as an E team. NO it is a D team.

Prime time all C players and want to start as D team they should be a C team. Classification is on the divisions until prairie dog.

A player is tagged as what ever their team left with.

Director with new teams they don't know teams if they can't see eligibility forms, call James and he will send you the forms.

No more advertising on our web page. What if our tournaments are full, do we get to be in before out of state teams are in. Yes.
