Confirmation Candidate - Confirmation/Saint Name

The confirmandi are to choose prayerfully a Christian name and make the connection of the name to the Christian Faith and to their own lives. The easiest way of making the connection is to choose a saint's name. The confirmandi should make themselves familiar with the saint/blessed whom they choose as a new patron. The saint in Heaven becomes a "friend" and intercessor on the young person's journey of faith.

There are several online lists of patron saints:
