

### **SCFSC Goals 2018-19:**

1. Grow the Learn2Skate program and LTS Hockey program.
2. Increase Volunteering – more engaged participation from all families.
3. Establish an Advanced Synchro Team and continue to grow the Little Rocks (Beginning Team).
4. 100% of our freestyle skaters perform in the Annual Ice Show and at least 75% of our LTS skaters perform in the show.
5. Continue to develop group classes concept and offerings in the freestyle program.
6. Promote competitions and competing.
7. Annual goal setting - lead by coaches and done with skaters.
8. Add Exhibitions – where skaters can perform in front of parent's and other skaters, including LTS skaters. This will help prepare them for competition and testing as well encourage and inspire the younger skaters to continue to develop their skating skills.
9. Maintain the quality and number of coaches we currently have in our programs – both LTS and on Freestyle ice.
10. Establish a communication process to answer questions and inform parents/skaters how to transition from LTS to LTS+ to X-Skate.

### **Updates, improvements in planning or are complete:**

1. Club covers annual locker room costs (\$1,500) instead of skaters being charged an annual fee.
2. Annual clean-up and organization of storage room.
3. Upgrades to locker room – paint walls and lockers, upgrade bathroom, replace the shelf and clothes hanging area, replace the benches. Add logo and branding of club in locker room.
4. Get our financials/QuickBooks on the cloud for easier access by volunteer financial administrator and board.
5. Replace and purchase a new On Ice Jump Harness.
6. Continue to work with MAC on ice times that are work best to grow our programs and increase participation and improvement of skaters.
