

## 2026 CHECK-IN INFORMATION

- **PLEASE ARRIVE 45 MINUTES IN ADVANCE OF YOUR FIRST ICE-TIME:** There will be approximately 50 players checking in each hour on Friday and we do not want to delay your player from getting on the ice on time. For Saturday and Sunday's ice sessions players should arrive no more than 30 prior to their ice time.
- **JERSEY PICK-UP:** There will be a jersey pick-up table inside the front doors of Steiner Ice Arena where the participants will check in and pick up their assigned jersey. Each player has been assigned a color and number for their birth year. Please do not ask to change teams/numbers/jersey size, etc. Players are required to wear their assigned jersey for all sessions. Players are required to bring their own hockey socks.
- **EVALUATORS:** There will be over 20 evaluators, both in-state and out-of-state, who will be evaluating the selections. They have over 200+ years of combined coaching / hockey experience playing at the Junior, Major Junior, Collegiate and Professional level with experience in the AHL, ECHL, NAHL, CCHA, WHL, IHL, NCAA, goalie experience and more. We are flying in a regional consultant who will oversee all evaluators and lead the final decision-making process. We ask that players and parents do not talk to any of the evaluators during selections. They are there to do a job and we ask that parents do not interfere with their job by asking questions or with social conversation.
- **WATCHING THE SESSIONS:** Parents and family members will be allowed in the Mammoth Ice Center to watch. There will NOT be a live stream. Please follow all signs and stay in the appropriate area if you choose to watch the selections.
- **FINAL DECISIONS/RESULTS:** If a player is selected to move on to the next level, they will receive an invitation via email from USA Hockey. Once all players have received their invitations, the list of players moving on will be posted to the Utah Amateur Hockey Association's website ([www.utahhockey.com](http://www.utahhockey.com)). This usually happens within one week of the selections ending.
