A Message from SAI Board of Directors:

Thank you for your support of the Suburban Athletics League this 2021 Season!

We would invite you all to join us at O’Hauser Park, Friday 7/23 and Saturday 7/24 for the Girls Softball End of Season Tournament or the Boys End of Season Tournament 7/30 and 7/31. Grab a hot dog or Kona Ice at the field, watch great games, see for yourself how the players have improved and celebrate a successful season! Raffle ticket winners will also be announced at the Girls Tournament on Saturday, 7/24 at Noon at O’Hauser - thank you to ALL who helped support our most successful fundraiser in the history of SAI!

All end-of-season Tournament Schedules (and all of SAI information) can be found at www.suburbanathletics.com and our Facebook page. We will continue to post information with updates on registration, 2022 important dates updates on both our website and Facebook page. As always, questions, concerns, feedback or suggestions can be emailed to suburbanathletics@gmail.com - you will receive a quick response!

Suburban Athletics has always been run solely by volunteers...by those who put their heart and soul into baseball, softball and t-ball. While volunteering for a position will require some of your free time, it also will help support every player in the program and build life-long friendships. Become a Member of the Suburban Athletics Volunteer Team... you won’t regret it!

On the back, we have listed the Open Positions highlighted in blue for the 2022 season. We have individuals who would be willing to help mentor those positions to ensure a seamless transition. Basically, you would not be alone...but with a fellow “teammate”. Help build a bigger, brighter, stronger Suburban Athletics! If you have questions on what any open position would entail, email suburbanathletics@gmail.com.

All decisions regarding Suburban Athletics are discussed at our board meetings held the 3rd Monday of each month (we take August and December to rest and recover, no board meetings those months). ALL are welcome to Board Meetings and are updated on the website and Facebook page. Board and Committee nominations begin at the September meeting and we vote in October. If you are interested in becoming a Board Member, please inquire as well.

*Parents, Players, Coaches and Fans...thank you for a great season... and memories made!
Looking forward to building upon this, and seeing you back in 2022!*

The 2021 Suburban Athletics Board of Directors
