**SUMMER
ONE-DAY
TRACK CLINICS**
Sprint/Speed
Fitness

Our one-day summer track clinics are starting mid-July! There's still time to sign up. We have Sprint/Speed, Fitness, and Jump Clinics. The Sprint/Speed Clinics are hour-long opportunities designed to help provide athletes with the skills necessary to improve their speed, acceleration, and overall explosivity. The Fitness Clinics are hour-long programs

designed to target all major components of athleticism: strength, speed, endurance, flexibility, and coordination. Jump clinics are 60 - 90 minute clinics teaching athletes the basics of long jump or improving the skills of already talented jumpers. No experience is necessary!

Meet SYC's New Volleyball Commissioner

Please help us welcome our new Volleyball Commissioner, Deanna Murray. Deanna Murray started coaching volleyball with SYC when her twins were in the elementary school program and continued to coach as they moved up to the middle school (MS) league. When our former MS league director moved out of the area, she kindly stepped up to fill in as the new MS League Director. Through the craziness of the pandemic, she has been a great help in getting the volleyball program back up and running smoothly. Through it all, not only has she continued to coach, she stepped up to coach two teams this spring season to ensure that all players had a spot on a team. As our new Volleyball Commissioner, Deanna will be a great asset to the SYC Volleyball program.

Sadly, this does mean that Emerald Galligan is stepping down from the position of Volleyball Commissioner. We thank her for the countless hours she's spent running an incredibly successful and popular program. Thank you so much for all of your hard work and dedication to the club, Emerald!
