

2018 Fillies Tournament Weather Guidelines

In case of heavy rain/storms or closed fields:

The tournament will be extended to Wednesday, August 1st.

If it so happens that August 1st is a rain out or the fields are closed, the 2018 Fillies season will end.

Trophies will then be awarded based on the games that have already been played. Coaches will be given their team's trophies when they hand in their equipment bag and then will set a time to disperse them to their players.

The tournament will be played in light rain.
