Would like to go to association meetings in D3. 55 years old - we take the most hockey pictures. Unique to our program – safety comes first ESOP criminal background order form system. Can put banner on your association website.

John Sparling – BHRA

Seminar season is over for level 1,2,3, thank you to city of Brooklyn Park - great place to host these clinics. Scrimmages Intra Association - still need a roster, major penalties will be called and reported. Tryouts with other associations must have rosters as well. Officials will be asking for it, major penalties will be enforced. Gearing up – clarification on 2 and 10 penalties and game misconduct, 2 misconducts in 1 game will result in a game misconduct – out the rest of game and next.

Mike Anderson – BHRA

Had 2 bantam scrimmages, got real bad fast had to talk to coaches, this is a USA hockey function. If you have officials come in they will officiate.

Scott Dornfeld – Director D3

Would like to see all associations put a link on their website for the Rec League, which is on the Minnesota Hockey Website. Electronic Waivers working well in D3. MN Hockey locker room policy – Can use the MN Hockey or USA Hockey Policy. Must have during tryouts.

Todd Elmer – President D3
