SKEVA JUNIORS STARTS FEBRUARY 7TH

In hopes of continuing to grow volleyball in the Bowling Green area, director Lindsey Sheffield has started a new and exciting program aimed to get players introduced to the sport at a younger age. SKEVA Juniors is purposed for both boys and girls between the ages of seven and twelve and previous volleyball knowledge is not necessary.

SKEVA Juniors' teams will be coached by current and previous players in the club as well as some of the SKEVA certified coaching staff. Each team will spend part of their practice session learning skills and executing drills, and the other part of their session playing against other teams in their age group.

Practices begin Feb 7th and continue every Sunday until last practice on Mar 28th with ages 7-9 from 2:00-3:30pm and ages 10-12 4:00-5:30pm.

Another program, SKEVA Sprouts, is in the works for even younger future athletes aged 2-6. More information on SKEVA Sprouts will be released later in February.

SKEVA MERCHANDISE STORE

Southern Kentucky Elite Volleyball Academy is extremely excited to announce the addition of the SKEVA Store to the ETA gym! The items pictured above are available for preorder as we begin establishing our inventory. T-shirts and sweatshirts are available in black and in gray, tumblers come in white and in steel, hats can be purchased in black or in camo. More styles, colors, and types of products will cycle through so be sure to pop in and check inventory every so often!

For questions about or to preorder merchandise, please contact Elle Ford at skeva.volleyball@gmail.com.

COVID Updates

As you all are aware, COVID is still continuing to change our idea of normal. We've done everything in our wheelhouse to keep our athletes safe and that will not change. With safety in mind, we have decided to have our athletes compete in masks and our coaching staff has been asked to continue coaching in their masks as well. When considering the sizes of our tournaments and the different areas that teams travel to compete from, we want to take every measure possible in order to keep our club safe, healthy, and running. We are asking our SKEVA family to keep all variables in mind when out and about in order to best protect our athletes. **Thank you all so much** for adapting with us through all of this. We couldn't do it without our supporting SKEVA family.

Please continue self-screening before heading to ETA, using the correct doors for entering and exiting, and remaining 6 feet apart when possible. Contact Sarah Loiars, SKEVA safety Coordinator at 270-282-5599 with any questions.
