This camp is run by Janesville Craig High School Basketball Coaches and players in the Craig Fieldhouse. All campers are welcome regardless of where they attend school. This is a great camp for teaching fundamentals of the game and for introducing the various concepts of the game. We work hard to provide a nice balance of instruction, skill development, & opportunities to play in competitive games.

Dear Camper:

I would like to invite you to attend our basketball camp. We take great pride and enjoyment in working with young people. You will learn basketball and how to continue to improve your game after camp. We teach sound fundamentals, unselfish play, and team play. We are concerned with helping each camper as a player and a person. **Sportsmanship will be expected on and off the court!!** I hope you will encourage your friends to enjoy this experience with you.

Yours in Hoops,

Coach Ben McCormick

Don't miss this chance to improve your skills!!

Basketball Concepts to be taught:

Shooting	Screening	Transition
Ball Handling	Defensive Stance	Communication
Passing	Defensive Position	Rebounding
