Simsbury High School Gridiron Booster Club 2020

GRIDIRON CLUB MEMBERSHIP PLANS

The mission of Simsbury High School Football is to provide a positive and meaningful experience that develops valuable life skills through participation in football. COVID-19 has changed our normal for football this year. While our gameday experience will not be the same as in the years past, we are still a Football Family. We are still working hard in the classroom, with our cohorts, in the weight room, and on our Zoom meetings. We are preparing ourselves for whatever 2020 allows us to do. All aspects of our program strive to develop positive character traits in young athletes by modeling and teaching skills such as dedication, leadership, and teamwork that will provide our players with a foundation for their future -- and this year is no different. Please consider supporting our football program by selecting a membership plan below.
