# ABOUT THE SUPER Y LEAGUE

The Super Y League is the country's longest-running national youth league, offering players between the ages of 10-18 for both boys and girls, the opportunity to compete against top competition within their region. The Super Y League operates a summer platform, followed by an annual North American Championship in December. The league is dedicated to providing its over 500 teams and 10,000 players and coaches with an unparalleled experience through strong competition, unique development resources and valuable college soccer connections. Over the past 20 years, the Super Y League has served as the premier pathway to college and professional soccer, with players being evaluated through the [SYL Scouting Network](#). A select group is also invited to the annual [USL Experience](#), a multi-day residential event that follows a professional training format and environment exclusively alongside one of the USL's established organizations.

# ABOUT THE USL EXPERIENCE

Having debuted in 2016, the USL Experience has provided a unique, professional environment for a select group of players in the form of an elite multi-day residential experience, providing an unprecedented look into the pro ranks while connecting the Super Y League's top young players to the professional level.

FC Cincinnati hosted the inaugural USL Experience in April 2016, followed by San Antonio FC in 2017, Phoenix Rising FC in 2018, and The Tampa Bay Rowdies in 2019 delivering a comprehensive experience that included competitive match play, access to players and staff, additional educational programming, a stadium and facility tour, meals, lodging, training gear and much more. Stay tuned for when we announce who will be hosting the 2020 USL Experience!

Only the SYL's elite individual performers, identified and selected by the SYL Scouting Network and through standout performances at SYL National Finals will be invited to take part in the USL Experience. Seventy-two players - 36 girls and 36 boys - will be selected to attend the USL Experience, which is sanctioned through the U.S. Olympic Committee and scouted by U.S. Soccer. Learn more about the USL Experience by checking out last year's event:

[Learn More](#)

# SYL SCOUTING NETWORK

## What?

The Super Y League Scouting Network is a unique part of the league's programming designed to provide maximum exposure for its players to both collegiate and professional coaches. The Scouting Network analyzes all age groups and development levels in order to provide a comprehensive overview of each Super Y League player. This includes the annual Super Y League Finals as well as in-season scouting comprised of SYL Club directors, coaches, and scouts from around the country. The Scouting Network enables the Super Y League to provide premier opportunities for every player to display their abilities and promote the best opportunities for each individual's growth and development.

## Purpose?

The purpose of the Super Y League Scouting Network is to help identify players for the Top Prospect List as well as engage and empower current membership coaches in the SYL Philosophy: To provide premier opportunities for every player to display their abilities and promote the best opportunities for each individual's growth and development. The Super Y League Scouting Network will be comprised of SYL club directors, coaches, and scouts. This network will make evaluations of their own players and from other clubs to create and multi-faceted picture used to analyze talent from across the league and assist in forming the SYL Top Prospects List as well as helping to identify players for our pinnacle event, the USL Experience in April. All scouts will be highly educated and seasoned coaches that have worked at the youth, collegiate and, preferably, the professional level.

## Why?

The Super Y League maintains a goal of providing clubs with an unparalleled youth soccer experience. The current youth soccer landscape provides opportunities and experiences for a select few. Therefore, the Super Y League is dedicated to utilizing its unique programming to expand that experience to all players within the league. The mission of the Super Y League Scouting Network is to put players in control of their own careers. In order to do that, the SYL vision is to create programming that provides every Super Y League player, regardless of development level, the best opportunities for education, evaluation and competition.

## EVENT MAP

ADDRESS:  
9330 E COLUMBUS DRIVE  
TAMPA, FL 33619

# TIEBREAKERS & SEEDING

## Overtime/Penalty Kicks

- Overtime will be used in the semi-final and championship matches only.
- Overtime will consist of two (2), ten (10) minute overtime periods. \* No Golden Goal or Sudden Death
- Penalty kicks (best of 5) will determine the winner if the match remains tied at the completion of overtime. If tied after 5 penalties from each team, then there will be sudden death penalty kicks.
- Only the players who finished the overtime period can take the penalty kick.

## Scoring

- Win is 3 points, Tie is 1 point, Loss is 0 points

## Tiebreakers

- If two or more teams tie with the same amount of points, the following tiebreakers will be used:
  1. Head-to-Head
  2. Total Wins
  3. Goal Differential
  4. Goals Scored
  5. FIFA Fair Play
  6. Kicks from the mark

\*\* The tiebreakers listed above will be used to determine which team will advance to the knockout rounds. If the seeding for the knockout stages cannot be determined with the applicable tiebreakers listed above, then a Lottery will be conducted by SYL staff to determine the seeding for the Semi-Finals.

## Seeding

- Two-Group Division (U15 Girls, U18/19 Boys & Girls)  
The first and second placed teams in each group will advance to the knockout stages. For each division, the winner of Group A will play the runner-up from Group B, and the winner of Group B will play the runner-up from Group A.
- Three-Group Division (U13 G, U14 G, U15 B, U16/17 G)  
The first placed team from each group will automatically advance to the knockout rounds. The runner-up with the most points from group play will also advance (see tiebreakers below if teams are tied on points). The three group winners will receive the top three seeds in knockout play, with the best runner-up automatically receiving the #4 seed (even if they finish with more points than one of the group winners). Additional tiebreakers will be applied as necessary in seeding.
- Four-Group Division (U13 B, U14 B, U16/17 B)  
The first placed team from each group will advance to the knockout rounds. Teams will be seeded #1 to #4 based on total points obtained in group play. Additional tiebreakers will be applied as necessary.
