

# MAISL Boys Volleyball – April 17<sup>th</sup> moved to April 26<sup>th</sup>

April 17, 2026 – 2:00PM CDT

MAISL Reps and Principals

We have been fielding questions from multiple schools regarding the pending weather for Friday night, April 17<sup>th</sup>. *MAISL has made the decision to postpone these games until Sunday, April 26<sup>th</sup>.*

This is the same date as the EHS Track Meet, but we have secured gym sites for matches to be played from 4 to 8PM that evening.

Please advise Julie and I ASAP if your teams are impacted by the track meet. We will take those team/schools and place them in the later timeslots. Schools/teams not participating in the track meet will be assigned earliest timeslots.

This is an unprecedented situation, and we have never had to manage indoor contests due to pending weather (*not including snow related postponements/cancellations*). Due to the recent severity of these weather systems, it is in the best interest of your Teams, Families and Host Schools to postpone these games.

## **ADs,**

*Please get back to Julie and I if your team IS PARTICIPATING in the EHS meet so we can reschedule these contests. As you know we have a very limited play window and this is the one chance we have to make sure these contests take place.*

Thank you for your assistance in this matter. A note shall be placed on the MAISL website and this document will also be attached for review by Parents, Coaches, Players and Fans.
