

## ELK RIVER HIGH SCHOOL GIRLS SOCCER BUSINESS SPONSORSHIP

The Elk River High School Girls Soccer Booster Club is a volunteer, parent-led non-profit organization registered with the State of Minnesota. As a community sponsor your donation directly supports our players' experience and supplements the costs not provided by ERHS athletics. Your donations help fund critical items such as uniforms, tryouts shirts, administrative costs and technology. Donations also cover the season's activities such as senior, faculty and parent appreciation days, recognition gifts, team apparel, away game snacks, treasured end-of-season soccer banquet, sections/state activities, and college scholarships. The ERHS Girls Soccer program could not exist without the support of our volunteers and community supporters.

By becoming an Elk River High School Girls Soccer program sponsor, your business will have exposure to our players/families, athletic supporters, and benefit from online community appreciation.

While monetary donations will be allocated to the priority needs throughout our season, you may also choose to donate material item(s) or an 'experience' to have a direct impact on player/team. The material/experience donation(s) will be categorized into one of the below sponsorship levels based on estimated total value.
