**13 & 14 yr. old are expected to dress completely on their own

Practices & Games

In accordance with the State of Pennsylvania capacity limits for indoor recreational sports facilities, there will be no spectators allowed. For minors under 18, only one parent/guardian per participant will be allowed:

- If possible, no siblings are to accompany the parent inside. If not possible, the child must stay with the parent at all times.
- Players are encouraged to arrive dressed or partially dressed.
- Parent/guardian can enter the locker room to tie/untie skates and help their child get dressed/undressed and then exit the locker room.
- Players should wait in the locker room with their mask on until instructed to leave the locker room and enter the ice surface. Parent/guardian should either exit the facility or go to the appropriate rink bleacher area. Please make sure you keep your mask on and follow social distancing guidelines. Upon the end of the practice or game the parent/guardian can meet their player in their locker room and exit the facility as soon as possible.

Note: Parents/guardians need to teach their kids in the first couple weeks how to completely dress themselves, so assistance or limited assistance is necessary
