

Dear Catamount Football Family,

The 2020 football season is quickly approaching! I pray you and your families are healthy and will be able to stay healthy during this unprecedented time. We look forward to returning to an exciting football season this fall. The Catamounts once again recorded a winning season in 2019 and look to improve on that success as they compete for another Region Championship in 2020.

The Catamounts will open the year with scrimmages at Darlington and against Cartersville at Harmon Field. The season opener also takes place at Harmon Field as we resume our rivalry with the Calhoun Yellow Jackets on August 21st. The Catamounts will be competing in Region 5-6A this year. Our home schedule includes games against region foes Rome, Douglas County and Paulding County. Homecoming will take place on October 30th against Paulding County. Varsity, J.V., Freshman and Dalton Middle School schedules for the 2020 season can be found at www.daltonfootball.com.

Head Football Coach Matt Land begins his 11th season and is supported by one of the best coaching staffs in the state of Georgia. Coach Land and his staff, along with this year's group of Catamounts, have adjusted to the limitations presented to them by the coronavirus. They have been diligently working to ensure this season will be one filled with success. Due to the continued support of the Dalton Quarterback Club and its faithful members, the Catamount Football program has taken advantage of great summer work at first class facilities at Dalton High School to prepare for this season.

The Dalton High School Football program has been blessed by the continued support of our community, club members, administration, students, fans, and volunteers! This will be a challenging year as we adjust to budget cuts in the school system and our corporate sponsors. I humbly ask you to consider joining the Quarterback Club this year, and if you are a returning member, I ask you to consider increasing your level of membership by one level or more.

The Quarterback Club is very thankful and appreciative of your support for our program. We do not take your support for granted. Without your support our team and coaches would be limited with the resources they need to compete at a high level.

For your convenience, there are two ways to join the Dalton Quarterback Club. You can use the form that is attached with this letter and follow the mailing instructions included, or go to www.daltonfootball.com and join online. Details of each membership level are included with this letter as well as being available online.

Thank you and GO BIG RED!

Joel Goldberg,

2020 Dalton Quarterback Club President
