

HOLLY SPRINGS HIGH SCHOOL

Class of 2024 Athletics Information

Welcome: Welcome to HSHS Athletics. In this document you will find helpful information as your student athlete transitions to HSHS. The links below should take you to documents and videos created by our coaching staff to inform you as best they can, considering the current situation. The fall coaches will also have a live google meet for anyone who wants to join and ask questions directly to our coaches. Please keep in mind they do not have answers on when things will return to normal. Please use the meet to ask questions that are informative. Thanks, and best of luck and can't wait to meet all of you.

Athletic Director
