

Setting Security Alarm

Steps to set the alarm, when securing the dome at the end of the night

- Is the revolving door secured?
 - Are all lights off, except for the one over the desk?
1. Press CMD Button
 2. Press BUTTON directly below ARM
 3. "Swipe" FOB over the green light strip above the Metro Alarm Phone number
 4. You will hear confirmation beep(s)
 5. Immediately exit the dome thru the employee access door
