

**John Marshall Girls Basketball  
Senior Night  
2025-2026 Season**

**Name:** Maysen Pettingill

**Jersey Number:** 33

**Someone you would like to thank for helping you with your basketball career, and why:**

*I would like to thank Coach Josh for helping me in my basketball career. He has been coaching me for the past five years, and I really appreciate what he's done for me and our team. He is a really great person and coach, and has greatly influenced me to be the player that I am. JM basketball would not have been the same without Josh.*

**Favorite JM basketball memory:**

*My favorite JM basketball memory has to be from when we were playing Albert Lea my first year of JM basketball. We went into the game with about 7 players, there were 18 seconds left in the second half, we were down by 8 points, and we ended up winning the game by pressing and making free throws.*

**What will you miss the most about JM basketball:**

*I will miss how excited everyone gets when we are playing really well either in practice or in a game because it just feels really good when we can come together as a team and have that kind of fun.*

**Advice for future JM basketball players:**

*My advice for future players is to just remember to have confidence, do your best in the moment, and enjoy yourself.*

**Plans after high school:**

*After high school I plan to attend University of Minnesota-Duluth to study Exercise Science on the pre-OT track and will also be on the women's track team.*
