River Falls Boys' Basketball School

Note from Coach Campbell:
The primary goal of this camp is to enthuse each camper about the game of basketball through skill work, camaraderie, and competition. Athletes will leave camp equipped with the tools and drills to make themselves a more confident player. Simply coming to camp will not maximize skill alone, however, utilizing the skills given in their own workouts will greatly improve each camper's skill and confidence level. Our goal each day is to challenge every individual through skill and character development. We look forward to working with your future Wildcat! Note: The three week format of camp is shorter this year due to summer construction and gym availability in our district.
