Notes:

Since there are about 19 non school players, divide up players for a scrimmage

We've reserved the above fields for the evening for 13s starting at 6:15.

The above is a suggestion of a possible practice schedule. Coaches are welcomed to work together to figure out a schedule/approach that works best for all. If in doubt, the team listed first has preference on how the field practice is run.

We don't specifically reserve the cages, but if there's a SPYBA group there, you can let them know you're scheduled there. If adult softball, it might be a bit trickier, and you may need to triple up on the field if they won't give you a cage.
