Welcome

I wanted to welcome you to the 2020 CCM Minnesota Hockey High Performance Tier I League, which is presented by Mayo Clinic Sports Medicine!

Congratulations on earning your place among the best players in Minnesota! As you likely already know, Minnesota consistently leads the country in developing elite players across all areas of measure, including NCAA Division I, the NHL and international competition. Therefore, reaching this level of competition is a significant achievement and another step as you progress in your hockey career.

In recognition of your success, we're excited to offer you the best Tier I development opportunity in the country. The CCM High Performance Tier I Leagues provide a unique combination of local training, competitive games and focus on overall athleticism that will help take your game to the next level.

Once the Tier I season concludes, we hope you will take what you learned home to your community, where you will be counted on as a leader on and off the ice. Continue to enhance your strengths and hone your weaknesses because this is merely the beginning of your development path. We truly wish all of you the best and hope the experience of this League acts as a spring board for future development.

Good Luck!

Mike MacMillan

High Performance Director
