11.00 THE GAME - GENERAL

- (a) The home team, as designated on the schedule, will occupy the first base dugout.
- (b) Pitching in the 8 year old league will be done by both adult and youth pitchers. Pitches will be thrown overhand and the youth pitcher will throw to the opposing team. The adults will pitch in even numbered innings (it is recommended that the coach pitch from a knee, we are trying to keep the ball on a level plane for the kids to hit), and youth pitchers will pitch in odd numbered innings. **Each youth pitcher will pitch a maximum of one inning (one pitch constitutes an inning).** A batter is awarded first base if hit by the pitch (either by kid-pitch or coach-pitch). A batter may strike out by kid-pitch but not by coach-pitch. The offensive coach will pitch the remainder of an at-bat once the batter has 3 balls in the count (e.g. 3-0 or 3-2). A batter will receive a maximum of 7 pitches. The offensive team coach/pitcher will also act as the umpire.

****Players must earn the right to pitch. A player will only be allowed to pitch in a game if, in warmup, they can throw 8 strikes in 15 pitches. If not they cannot pitch in a game.**

- (c) There will be no walks.
- (d) Each batter will have a maximum of seven (7) pitches to hit the ball. If after seven (7) pitches the batter has not hit the ball into fair territory, the batter will sit down. NO out will be recorded.
- (e) While an adult pitches, a defensive player will play the pitchers position but must be within 3 feet to the side or in back of the pitching rubber, (not in front) positioned so as to see the pitch to the batter. The outfielders must play behind an arc approximately 10 feet behind each base.
- (f) Two defensive coaches will serve as base umpires and position themselves between 1st-2nd base and 2nd-3rd base. These coaches may also give instructions to their team.

- (g) A fielder may not put on a fake tag. PENALTY: All runners advance one base.
- (h) A runner is out when: (1) he/she does not legally slide and causes illegal contact and/or illegally alters the actions of the fielder in the immediate act of making a play on him/her. PENALTY: Runner is out, the ball is dead immediately and interference is called. (2) he/she does not legally attempt to avoid a fielder in the immediate act of making a play on him/her. PENALTY: Runner is out; the ball is alive unless interference is called.

NOTE: RUNNERS ARE NOT REQUIRED TO SLIDE, BUT IF A RUNNER ELECTS TO SLIDE THE SLIDE MUST BE LEGAL.

MALICIOUS CONTACT PROHIBITED

Runners should be instructed to slide or attempt to avoid making contact with any defensive player. A player who maliciously runs into another player is automatically ejected, and is declared out, unless he/she scored prior to committing the infraction. Contact or a collision is considered malicious if (1) the contact is the result of intentional excess force and/or (2) there is intent to injure.

NOTE: Malicious contact is penalized whether committed by an offensive or defensive player.

- (i) Each team is encouraged to field 10 players for each game; however, a team can play with less. There is not a forfeit or automatic out if a team has less than 10 players.
- (j) Each game will start promptly at 6:15 PM, no grace period -- 3 outs constitute an inning -- 6 innings constitutes a game (5 1/2 innings if the home team is ahead) with a time limit, no new inning will start after the 1 hour and 30 minute time limit. In the event of a tied game after 6 innings or the time limit, the game remains a tie and no extra innings will be played. Each team will normally field 10 players.
- (k) A seven run rule per inning will be in effect; this includes the final inning for 8 yr olds. Once a team scores 7 runs in their half of an inning, and play in which the 7th run has scored is completed (therefore a maximum of 10 runs are possible in an inning) that inning will be declared over by the coaches.
Note: NO 10 run rule in effect. The inning will also end once the offensive team has batted through their entire order.
- (l) Both teams will get a chance to hold infield practice prior to each game. The home team will have the field first until 20 minutes prior to game time. The visiting team will start infield 20 minutes prior to game time for a total of 15 minutes. All field practice should stop 5 minutes before game time.
- (m) A base runner may not leave the base until the ball reaches the batter. If a base runner leaves base early, the runner will be sent back to the original base. The second time this occurs in the game, the runner will be called out.
