To whom it may concern:

I am submitting this letter of intent to show my interest in one of the open director positions on the MAHA board.

I feel that I would be a good candidate for this role because of my involvement with the sport of hockey. I have spent most of my life playing the game, coaching it, and officiating it. I have coached MAHA Squirts, Peewee's, Mite's and T-blades at various times of my life. I have also been the head coach of the MVU boy's hockey program where we have won the only state championship. I have spent over ten years of my life at different points officiating the game as well. Lastly, I served as the facility president of the Highgate Arena for a couple of years helping the Arena get to the point we are at today with a beautiful facility with many upgrades! I have been on the MAHA board for the past five years, serving as the head of coaching and then as a director in 2021/2022/2023/2024/2025.

I continue to have two children participating in the organization, and I hope to continue to help serve on this board to better improve the quality of our program for the future of our youth.

Please accept this letter of intent as I will do my best to continue to improve this organization. I think my history and involvement with the sport of hockey and my leadership qualities will help provide value to the board and the organization.

Respectfully Yours,

Luc Choquette
