Region Sanction Policy

CEVA reserves the right to, at CEVA's sole and complete discretion: (1) refuse to grant a tournament sanction to any person, individual, business or organization ("Applicant") when it is determined by CEVA, following review of a complete tournament sanction request application ("Application"), that the Application fails to meet CEVA's tournament sanctioning criteria; (2) refuse to grant a tournament sanction to an Applicant when it is determined, following review of an Application, that the Applicant failed to provide all required information, or failed to provide truthful information; and (3) refuse to grant a tournament sanction to any and all Applicants where either the Applicant and/or the Application is/are determined to not be in the best interests of CEVA and its members.

Complete and sign this form, then e-mail to region@cevaregion.org. Tournaments must fulfill all sanctioning requirements listed below.

Requirements for Sanctioned Tournaments:

1. All teams playing in your tournament **must be registered with CEVA or other regions under USA Volleyball**. If teams from outside CEVA or USAV submit an entry form, check their USAV status with the CEVA office. Accepting ineligible teams may result in a fine or sanction and voids the event insurance.
2. Event Host selects their own tournament entry deadline and fees. Event information will be included on the CEVA website once sanctioning has been approved.
3. All participants must be current USAV Members. Adults are required to have current a USAV background screening and SafeSport certification.
4. All tournament directors must be USAV/CEVA members with a current background screening and SafeSport Certification prior to the tournament and cannot participate in the tournament as a player, coach or referee. The tournament director must be present all day.
5. USAV Certified Head Officials are required for CEVA sanctioned events. ***The host must pay officials per CEVA's established pay scale, which includes a mileage reimbursement (contact the office for details). Host is liable for lodging officials as deemed necessary by the CEVA office, as well as an assignor's fee.*** Host has the option of having CEVA run these costs through the office and being billed for them. If the host chooses to incur these fees themselves without running them through the office, they must be approved by CEVA prior to sanctioning.
6. All teams must submit an official USAV roster on the day of competition.
7. All rosters and tournament results must be posted online or submitted to the CEVA office by 5 pm on the Tuesday following the tournament. Online posting or email submission is preferred.
8. Tournament hosts must review and follow the hosting policies defined in Section 5 of the current season's CEVA Junior Girls' Handbook.
9. Hosts are required to post the USAV/CEVA Parent & Spectator Code of Conduct in a prominent location at all facilities.
10. Event hosts must adhere to the strictest health and safety guidelines in place at the time of the event, within the locality in which the event is being held. This includes a requirement they check with their city, county, and/or state health departments to have their plans cleared by those entities, and a requirement the event host be able to prove with written documentation their event and safety plans were cleared by a city, county, and/or state health department. Deviation from established health protocols is grounds for immediate revocation of sanctioning.

I acknowledge that by signing or typing my name on this document, I have read the *Multi-Day Tournament Sanction Form* information above and will abide by all sanctioning requirements.
