ORDER FOR MEETING OF GENERAL ASSEMBLY

FBYFL Board of Directors and Special Meetings will be held in accordance with Robert’s Rules of Order. Below is the basic explanation of how the meetings are to be handled and conducted. FBYFL Rules can only be revised or altered as per rule 15.2. Meetings will be held in accordance with Robert’s Rules of Order as the fundamental rights of the FBYFL deliberative assembly requiring all questions to be thoroughly discussed before acting. They have the final say on everything; silence means consent.

GUIDELINES

- Obtain the floor (the right to speak) by being the first to stand when the person speaking has finished; state Mr./Madam Chairman (ED or designee). Raising your hand means nothing and standing while another has the floor is out of order! Must be recognized by the Chair before speaking.
- Debate cannot begin until the Chair has stated the motion or resolution and asked, “are you ready for the question?”
If no one rises, the chair then calls for the vote.
- Before the motion is stated by the Chair (The Question) members may suggest modification of the motion; the mover can modify as he pleases, or even withdraw the motion without consent of the seconder; if the mover modifies, the seconder can withdraw the second.
- The “immediately pending question” is the last question stated by the Chair. Motion/Resolution-Amendment-Motion to Postpone.
- The member moving the “Immediately pending question” is entitled to preference to the floor.
- No member can speak twice on the same issue until everyone else wishing to speak has spoken to it once.
- All remarks must be directed to the Chair. Remarks must be courteous in language and deportment-avoid all personalities, never allude to others by name or to motives.
- The agenda and all committee reports are merely recommendations. When presented to the assembly and the question is stated, the debate begins, and changes occur.

THE RULES

- **PARLIAMENTARY INQUIRY:** Inquire as to the correct motion – to accomplish the desired result or raise a point of order.

- **ORDERS OF THE DAY(Agenda):** A call to adhere to the agenda (a deviation from the agenda requires Suspending the Rules)
- **POINT OF ORDER:** Infraction of the rules, or improper decorum in speaking. Must be raised immediately after the error is made.
- **MAIN MOTION:** Brings new business (the next item on the agenda) before the assembly.
- **DIVIDE THE QUESTION:** Divides a motion into two or more separate motions (must be able to stand on their own).
- **CONSIDER BY PARAGRAPH:** Adoption of paper is held until all paragraphs are debated and amended and the entire paper is satisfactory; after all paragraphs are considered, the entire paper is then open to amendment, and paragraphs may be further amended. Any preamble cannot be considered until debate on the body of the paper has ceased.
- **AMEND:** Inserting or striking out words or paragraphs or substituting whole paragraphs or resolutions.
- **WITHDRAW/MODIFY MOTION:** Applies only after the question is stated; mover can accept an amendment without obtaining the floor.
- **COMMIT/REFER/RECOMMIT TO COMMITTEE:** State the committee to receive the question or resolution; if no committee exists include the size of committee desired and method of selecting the members (election or appointment).
- **EXTEND DEBATE:** Applies only to the immediately pending question; extends until a certain time or for a certain period.
- **LIMIT DEBATE:** Closing debate at a certain time or limiting to a certain period.
- **POSTPONE TO A CERTAIN TIME:** State the time the motion or agenda item will be resumed.
- **OBJECT TO CONSIDERATION:** Objection must be stated before discussion or another motion is stated.
- **LAY ON THE TABLE:** Resumes consideration of item previously “laid on the table” – state the motion to take from the table.
- **RECONSIDER:** This can be made only by one on the prevailing side who has changed position or view.
- **POSTPONE INDEFINITELY:** Kills the question/resolution for this session – exception: the motion to reconsider can be made this session.
- **PREVIOUS QUESTION:** Closes debate if successful – may be moved to “Close Debate” if preferred.
- **INFORMAL CONSIDERATION:** Move that the assembly goes into “Committee of the Whole” – informal debate as to if in committee; this committee may limit number or length of speeches or close debate by other means by a 2/3 vote. All votes, however, are formal.
- **APPEAL DECISION OF THE CHAIR:** Appeal for the assembly to decide – must be made before other business is resumed; NOT debatable if relates to decorum, violation of the rules, or order of business.
- **SUSPEND THE RULES:** Allows a violation of the assembly’s own rules (except Constitution); the object of the suspension must be specified
