Coach Varp's Report:

- Gold card sweatshirts are in and dispersed.
- Pictures are in and dispersed.
- Teacher night went well.

President Report: (Chad Gilman)

- Bingo night is changed due to a lot of football events that weekend. The new date is December 14 at the Savage Legion.
- First study hall had 32 players. Players will be reminded to bring homework. A lot of 9th grade participation. Boys basketball is going to do the study hall sessions as well. We need to continue to reach out to families to help with supervision and bringing food.
- Discussion about the golf fundraiser. Wild will do weekend tournament. Golf would be \$90 and \$15 for the meal. Look for a day in May. It is difficult to find volunteers in May. The traveling baseball was \$100. They didn't make any money off of the golf. They made money off of the sponsors. Sundays are better than Saturdays. There may be a minimum. It includes 18 holes. We may want to check out other courses. Heritage Links, Crystal Lake, and Elko are others to check into. We are going to table it. Goal is \$50,000 in profit with corporate sponsors.

Coach Varp got the check from the Vikings.

Fundraising Report: (Jeanne Tompkins): see above in President's section

Committee Chairs:

Concessions: No extra concessions at the other end this time.

Spirit Wear: All things delivered. A couple of touchdown club items to be delivered.

Webmaster: Nothing new. Add playoff sign up genius when it is done.

BCTV: People are not signing up on line, but they are volunteering at the game.

Post Game Meals: Carrie will bring mac and cheese for the meal.

Chili's night: Next year they should just pick a few restaurants and do a few nights. Chipotle and Cane's nights.

Senior night: Tracy sent senior names to Sayleen and she is waiting on parent information.

Tackle Cancer night: Discussion about doing a T shirt but decided because it is homecoming they would skip it for this year. They made all different color ribbons-selling for \$1 apiece. Money goes to cancer fund. Announcements to be read throughout the night. People will be asked to turn on flashlights for a moment of silence after the first quarter.

Next year possibly do Tackle Cancer and Teacher Appreciation together instead of on Homecoming.

Playoff games: need volunteers; sign up genius will be sent out soon
