

## CSC Rink Protocols/COVID-19

- All skaters, coaches, and non-skaters must wash (sanitize) hands before entering the rink.
- While off-ice you must maintain a 6' social distance and wear a mask.
- Anyone entering the Club must conduct a self-assessment and may not enter if they are exhibiting symptoms of COVID-19 or have been exposed to COVID-19.
- Coaches/Referees/Spectators must sign-in with full contact info upon entry to verify that are symptom free – This will allow us to maintain capacity limits and provide contact tracing if necessary.
- Teams are responsible to hand in game rosters at the end of the game to the Rink Program Director (either in person or slide under office door.)
- The CSC Activity Waiver must be signed and on file prior to participation in on-ice activities (Coaches/Refs/Players on all teams).
