

C2 Attack Sponsorship Opportunities

C2 Attack is an indoor and beach volleyball club that was formed in 2015 by Coaches Crissy McDaniel and Cullum Miller. Coaches McDaniel and Miller were driven by their love of the game, as well as the interest and dedication of their children, to establish a club that would provide training in both the indoor and beach games to Nashville area junior players.

It is the mission of C2 Attack to grow the game by providing athletes with sound instruction in volleyball fundamentals, making it possible for our athletes to compete and excel in all levels of the sport. We strive to build character, sportsmanship, and leadership in our athletes, and to foster an environment where teammates become family. Since the inaugural season in 2015, the club has grown from 4 girls teams and 1 boys team, to 26 total teams in the 2019-2020 season.

In order to accomplish the goals of growing the game and providing opportunities for our athletes, C2 has not only the Smack and Club level teams who travel and compete all over the Southeast, but this year has added C2 Academy and C2 Littles. In these branches of C2 Attack, athletes who are new to the sport have the opportunity to learn the skills necessary to move them to the next level. These boys and girls from ages 8 to 13 are the future of the game, and we are dedicated to seeing them grow in the sport.

In the past five years, our girls and boys Smack teams have seen tremendous success in Southeastern Regional competition. The teams have won numerous tournaments in all age divisions from 12 to 18, and in 2019 brought home SRVA championships in the 16 girls, and 14 and 16 boys divisions. Four additional girls' teams finished 2nd or 3rd in their divisions, an incredible showing for such a young club. C2 Attack boys teams have had further success at the national level, competing in the USAV Junior Nationals for the last two years. The 2018 14U boys' team was ranked #1 in the nation out of 200 teams, while the 2018 18U boys team was ranked #55 out of 360 teams. We are very proud of the success of all of these athletes, and are committed to doing all we can to continue this progress.

Many of our alumni have been successful in continuing their volleyball careers at the collegiate level. Sixteen recent alumni, both male and female, are currently playing for colleges across the Southeast. In addition to this continued success as athletes, a number of other C2 alumni have continued their careers by returning to C2 as coaches.

In order to provide the best possible experience for our junior players, and provide opportunities for financially disadvantaged athletes, we are seeking business sponsorships to help offset some of the costs to our players. Among the costs that will be supported by your sponsorship are: facility rental for practice spaces, equipment purchases and maintenance, tournament entry fees, and scholarships for those talented athletes who might not have the opportunity to participate in club level sports without financial assistance.

This sponsorship is open to anyone who wants to participate, not just open to business sponsorships. **Deadline for Sponsorship is Monday, November 30th, 2020 to enable us to get your business/name on the C2 practice shirts.**

C2 Attack Volleyball Club is a 501(c)(3) organization
