

WYRA FALL 2021 FINANCIAL AID FORM

WYRA has a limited amount of financial aid available to our rowers. WYRA makes every effort to ensure that families of rowers are able to have their child participate at WYRA.

Please note that unless your child qualifies for state school lunches, we normally require a minimum payment of \$500. However, in extenuating circumstances, the requirement can be modified. This can be made in up to 3 payments per season.

Are there any circumstances, not already mentioned on this form, that you'd like to make us aware of?:

The standard cost of crew will be \$1750.00 for Fall 2021 with the standard "**Early Bird**" registration (running through 30 August 2021) bringing it down to \$1550.00. Payment is made in 1 to 3 payments. Please note that if there are live competition/regattas, prepare for potential additional costs. If this happens additional aid will then be made available. The Spring 2021 registration fees are only enough to cover our in-house training programs and currently do not account for all the varied increases in spending associated with regattas. We don't have an estimate on what those additional costs might be, nor do we know which regattas would be reinstated.

We require a minimum payment of \$25.00 for all rowers on the state reduced school lunch program and we normally request a \$500 minimum payment for all others. *However, due to the current Pandemic/Economic situation, this may be eligible for modification.*

- How much do you feel that you are able to pay for crew? _____
- How many payments do you require? _____
- Do you prefer to pay (check one): _____online or by _____check?

If paying by check, we request ALL 3 checks to be postdated and turned in at the beginning of crew. 1 check will be deposited each month until the program is paid off. If you do not drop off post dated checks by the first day of crew, your child will not be able to participate in the program.
