PARENT MESSAGE From the moment you first put on skates, we had no idea where this journey would lead. Your hard work, perseverance, and love for the game have shaped you into an incredible young man. The impact you've had — from moments like Teacher Appreciation Night, honoring loved ones during Hockey Fights Cancer, to having Cameron look up to you as a 5-year-old future Hawk — is what makes us most proud. We'll always be your biggest fans and supporters. We love you, Mom&Dad

6 TYSEN Herrmann

PARENT MESSAGE Tysen, From the very beginning when you were learning to skate and stay upright with your stick, early morning games, transitioning skater/goalie to skater, summer AAA programs, Velocity games, try-outs full of exhaustion, uncertainty, emotion and excitement, late night practices, and out of town tournaments - watching you learn and play has been a privilege. Seeing you teach and help younger players has made us so proud. You have given us the gift of memories we will never forget. We have cheered for you, felt joy, pain, fear, and defeat with you. Thinking back as we watched you navigate through coach and team dynamics, seen some pretty crazy things in the stands, parking lots, or in the Blue Line Room as volunteers we would do it all again. Tysen, you are not just a hockey player but truly a remarkable young man. Knowing this chapter is closing is hard, but we are so very excited to see where your strength, perseverance, and resilience will bring you. Thank you Tysen. With pride and love, your biggest fans -Dad, Mom, Ryder and Kennedy

Take it all in, be present, and enjoy every minute—these moments go by so quickly. No matter how tall you grow or where life takes you, we will always see the chubby-cheeked little boy who held our hands and looked up at us with trust and wonder. Always be true to yourself and let your light shine. We thank God every day for the blessing of being your parents—how did we get so lucky? We are endlessly proud of the young man you are becoming.
