Greetings!

Greetings from Schwaben A.C.! Schwaben is turning 100 next year and the club is looking forward to celebrating this monumental milestone. As one of the thousands of players and families that have called Schwaben home we are reaching out to update you on the future of Schwaben.

As you may know Schwaben is investing in a turf field with lighting to ensure players can play regardless of weather and daylight. We have launched a GoFundMe to help support this effort and keep the youth program strong and protect our future into our 100th year and beyond.

We need your support to make this vision a reality. Our GoFundMe campaign will help us grow our historic club and maintain a community space where soccer thrives. Any amount is deeply appreciated. All donations/contributions are tax deductible. More information is below.

We'd also love for you to join us for the Men's First Team game on Sunday, May 18th at 11am at Schwaben. The concession will be open.

Thank you for your time,

Schwaben Athletic Club Board and Schwaben Youth Program

Help Fund Our Turf Field: Support Schwaben's 100-Year Legacy

As one of the oldest independent soccer clubs in the United States, the Schwaben Athletic Club is excited to celebrate our 100th anniversary in 2026! We're not just looking back at a century of triumphs; we're building toward an even brighter future.

A cornerstone of our next chapter is improving our facilities. We're investing in a state-of-the-art artificial turf field with lighting to ensure our players enjoy an unparalleled soccer experience—regardless of weather or daylight limitations during late fall, winter, and early spring.

We need your support to make this vision a reality! Our GoFundMe campaign will help us grow our historic club and create a community space where soccer thrives.

Founded in 1926 by thirteen passionate young men, Schwaben Athletic Club has weathered history—from the Great Depression and World War II to six Major Division Championships in the late 1950s and a move to Buffalo Grove, IL in 1970. Over decades of success, including 1964 and 1998 US National Amateur Championships as well as producing two national Hall of Famers and numerous Illinois Hall of Famers, thousands of players have called Schwaben home, finding a safe space to foster a healthy lifestyle, a love of soccer, and deep community connections both on and off the field.

Today, Schwaben is renowned as one of Chicagoland's most respected soccer clubs. With a vibrant youth program and opportunities for lifelong involvement through our Men's and Women's teams, we remain committed to empowering players of all ages and creating lasting friendships.

Help us grow the Schwaben Athletic Club as we prepare for the next 100 years of incredible soccer, teamwork, and community spirit. Join us on this journey—together, we can build a new era for Schwaben!

Support us today on GoFundMe. Let's build our future, one goal at a time!
