- All entrants will receive a ticket number for each \$10 donation.
- The games of the World Cup will be broken into multiple rounds (9-12).
- Each ticket will be randomly assigned a team playing in the first round. If the assigned team loses, that ticket is out of the competition.
- Advancing tickets are randomly assigned a (new) team playing in the next round and so on.
- For the benefit of ranking entrants, and due to ties existing in the early rounds, Wins are assigned 3pts and Ties 1pt. Tie breaking rules also exist following Total Points, Goal Differential, Goals For, and ultimately a coin flip.
- By the end of the tournament just a handful of tickets competing will remain and top prizes will be awarded when the 2019 Women's World Cup Finals game has been won!

- Tickets are \$10.00
 - Collect money for each ticket.
 - Write name of supporter in the ticket(s) space.
 - Money collected must match ticket count sold.
