

PLYMOUTH HOCKEY ASSOCIATION BOARD OF DIRECTORS ELECTION

The Plymouth Hockey Association (PHA), a Non-Profit 501(c)(3) Organization, is run by a volunteer board of directors. The Board of Directors is, among other things, responsible for the overall Association program and the policies and procedures of the Association. Our directors are not paid and receive no other forms of compensation, but rather volunteer their time and talent to promote the sport of youth hockey for the benefit of the players, their families and our local community. Board members meet throughout the year. During the weeks leading up to the hockey season, a larger commitment may be needed to prepare for the season. In addition, Board Members assist with Try Hockey for Free, PHA events and District/State Tournaments. All events are not mandatory, however, participation beyond attendance at board meetings is requested.

If you wish to join this group of hard working and dedicated individuals, please email the Board of Directors your completed application found below to plymouthhockeyassociation@gmail.com to express your interest in being added to the ballot.

The deadline for application is February 15th and voting will take place at the Annual Board meeting. Persons seeking election to the Board of Directors should show a continued, vital and active interest in the affairs of amateur hockey within the Association's jurisdiction and have demonstrated knowledge and skills necessary and desirable to the operation of the organization in compliance with MAHA and USA Hockey guidelines. New candidates must complete a Nominee Application and attend a Nominee Interview at the request of the Board. In the event that the number of candidates does not exceed the number of open positions, candidates will be elected by acclamation.

Nominations are for two year terms. This season we have two, two-year terms available.
