

Fundraising Information - Classic City Volleyball Club

Classic City Volleyball Club has several teams competing at various levels of play within Georgia and the surrounding regions this volleyball season. While players at this level are focused on improving their game to be considered for college scholarships, they are also learning valuable life skills such as responsibility, teamwork and communication. The strategy of setting and achieving goals during club seasons allows each of these ladies to develop self-confidence and become stronger leaders within their circles of influence.

To help offset costs associated with these activities, Classic City Volleyball Club conducts various fundraising activities. Sponsors come in various forms: raffle ticket purchases, corporate/personal donations, and gifts of prizes/services that can be raffled off are all examples that benefit these young ladies. Please consider how you might help encourage an athlete to excel, get the training they need, and accomplish their goals.

All donations benefit the player directly, by going to club fees, travel expenses, and equipment needs for the individual player. While we are not a 501(c)3 nonprofit organization, profits are invested back into the club for future expansion. We can provide a donation letter for any direct donations/sponsorships. You can use this form to provide your information.

Thank you in advance for your consideration, and we invite you to come see how we are impacting the lives of this generation of women's volleyball athletes!
