2 vs 1	4 vs 2	4 vs 1
3 vs 4	1 vs 3	2 vs 3

## 4 Team Single Elimination

# Points of Emphasis

- All teams should be at the field 30 minutes before their scheduled start times. If we are running ahead of schedule, games will start up to 15 minutes early
- There will be off field space to warm up before the games, priority goes to teams that are next to play
- Schedule may be adjusted due to weather and field conditions; you will be alerted
- No infield practice before games, however, ground balls may be taken in foul territory
- All games are 7 innings with no new inning beginning after 2 hours
- Game clock is on the scoreboard. Clock starts on the umpire's "Play ball" to begin the game and does not stop other than for *significant* delay: (weather, serious injury, rule question that needs the tournament director's opinion, or significant field repair)
- Umpires will enforce pace of play using NFHS rules when it comes to batters leaving the box or asking for time. Hustle in. Hustle out between innings, please.
- Courtesy runner for the current catcher may be used. Substitution must be made at the end of play during which the catcher reached base, otherwise no substitution will be allowed during that instance.
- Off field on-deck areas. St. Clare Field has off field on-deck areas at the end of each dugout. For player safety, teams are highly encouraged to use these areas rather than have on-deck hitters on the field.
