## ABOUT THE BOOSTERS

### \*Supporting SEHS - Together\*

We are a proud 501(c)(3) nonprofit organization with one simple mission: to elevate the South Elgin High School student experience.

Thanks to generous support from parents/guardians, community members, and local businesses, we're able to provide funding and resources that go \*beyond\* the district's athletic budget. From helping our student-athletes succeed on the field to empowering clubs and teams across campus, your support makes it possible.

Join us in shaping a stronger, more vibrant future for our students

# Membership Information

Over the past 19 years the South Elgin Booster Foundation has provided funds to support the programs, clubs and sports at South Elgin High School. These funds are comprised of support from sponsorships, memberships, fundraising efforts from parents and our community sponsors.

When you pay at the door for sporting events, your entry fee goes to the School District. But by becoming a Booster Member, your support stays right here—directly funding our students' teams, clubs, and activities. It's more than a membership—it's an investment in their success.
