

Hello everyone,

Welcome to Honors English 10! I have attached a brief assignment to go along with the summer reading.

For Honors English 10, **students will read the memoir *The Glass Castle* by Jeannette Walls**. This piece is a memoir; therefore, it is non-fiction. The graphic organizer below will help students identify non-fiction features and support it by citing specific textual evidence. I encourage students to try their best to identify these features for analysis.

The second part of the assignment includes a brief written response. I am encouraging students to use their analysis in order to expand their writing voice. I encourage students to bring their own unique voice to the writing. There is no right or wrong answer if it can be supported with evidence! Bring your own opinion to your analysis. Plagiarism in any way, shape, or form, will not be tolerated.

If you have any questions, I have included my contact information:
