

Commissioners,

Southern California was honored to be awarded the 2021 USA Softball 18A National Championship Finals. We understand the challenges we have all faced with COVID particularly in California. Teams have been reluctant to sign up. We are excited to announce that our Governor has given us the green light June 15, 2021 to return to tournament play. We are reaching out to all of you to ask that you spread the word to your teams. We promise this will be an amazing experience for your teams. Below is information on the event.
