Falcon Foundation Brick Display

Scope of Work

Falcon Foundation wants to undertake erecting a brick column of approximately 60-70 bricks on a 4'x4'foot site initially approved by Jim Keck and Mike Huff, at ticket booth location at the CP football field.

The display will be topped off by a bronze Falcon that currently sits in Principal Joe Alvarez's office.

The display will be protected by a plexi-glass cover and a security camera that already exist at site.

All work not volunteered and any expenses, will be paid by the Falcon Foundation.

Jim Keck will submit site location plan and will be our contact with the administration.

Community groups, governmental agencies neighbors and businesses, should not be impacted at all by this minor construction and I will leave it up to Mr. Keck and Mr. Alvarez to determine if such notifications are needed or warranted.
