*KatyISD pass will admit holder to ANY KatyISD athletic event held at ANY KatyISD facility. This includes both Jr Highs and High School events. They are NOT valid at playoff or tournaments by an outside organization. They should be ready for distribution before the 1st athletic event of 2021, however, the district issues the passes to individual schools and this issuance is beyond the control of CRHS-ABC. If the pass is lost or stolen, it cannot be replaced.
