2019 SAYB UMPIRE PAY POLICY

Shoreview Area Youth Baseball appreciates the efforts of our umpires and their significant involvement in making summer baseball a positive experience for all involved. We set our payments to the individual umpires based on the level of umpiring experience, as determined annually by the SAYB Umpire Coordinator.

For the 2019 season, please note the following:

Coaches:

- Umpire logsheets will be provided to the umpires. Home team coaches are responsible for signing an umpire pay form for the umpire for each game. Make sure the date, league, team name, signature and printing of your name are correct and legible.

Umpires:

- We recommend that you get this slip signed by the coach before the game start.
- Have a couple of umpire logsheets with you.
- Logsheets may be mailed in at any time.
- The logsheets have room for 10 games per sheet. Sheets can be submitted with fewer than 10 games.
- Umpire logsheets should be sent to the SAYB Treasurer, for payment. The address is located on the logsheets.
- Re-check each logsheet before you mail them in. The logsheets must have dates, names, addresses, and have appropriate signatures, etc. that are complete and legible. If incomplete, the form will be returned to you to add the required information before it is paid.
- Upon receipt, the Treasurer will check your umpire logsheet for accuracy and completeness and process the form. NOTE: the logsheet will not be processed unless it is complete.
- Umpires will be paid three (3) times this year, on approximately the last Sunday in May, June and July. Any Umpire pay forms received after the pay date will be processed at the end of the next month.
- SAYB complies with the federal law regarding communication of payment data to the Internal Revenue Service. If your umpire pay for the year exceeds \$600, you will get a Form 1099 the January following the baseball season you worked.
