

MURRIETA BRONCOS

JR. ALL AMERICAN FOOTBALL & CHEER

## REFUND POLICY

If, for any reason, you decide that your son/daughter will not participate, or your son/daughter changes his/her mind about wanting to participate in Murrieta Junior All American Football & Cheer prior to the start of the season/during the season, there will be **NO REFUND**. Your payment will be considered a donation to MJAAF. Please understand that the league purchases equipment and fills team rosters based on our sign-up numbers. Changes made after sign-ups cost administrative time, money, and equipment that is left unused by the league when other potential participants could have used that equipment as well as a potential spot on the team.

For Cheerleaders: Because the cost of uniforms and equipment is higher and the amount of uniform items required by each Cheerleader can vary (Returning/New), the refund amount cannot be the same as football, therefore, Cheer refunds will have to be itemized by what each Cheerleader orders individually.

Thank You,  
MJAAF Board
