

Weekend Parking Lot Policy

No congregating, tailgating or tents in the parking lot. Additionally, everyone who is in the parking lot must either a) remain in their vehicle; b) be walking towards the building to enter it OR c) leaving the building to return to their vehicle. At no time should individuals be outside of their vehicles except for purposes of walking towards the arena or returning to their car. Masks and social distancing must always be practiced in the parking lot (except for individuals remaining in their car).

Parking lot should be used to get hockey equipment and / or skates on. Participants cannot fully undress in the parking lot.

Weekend Arena Entry

For Hockey Games and Practices

The Arena will be issuing Arena passes to team managers. Team managers can pick up the passes from the Front Desk up to 1 hour before ice session to distribute to parents / guardians. There will be a limit of one parent / guardian per participant allowed in the Arena. No siblings, no exceptions. In order for a parent / guardian to enter the rink, they must present the pass to an Arena employee. Once the pass is presented, the parent / guardian cannot leave the arena and then re-enter the arena as the pass is collected by the Arena employee. Each team should appoint a "Covid-Compliance Manager" that will assist rink staff in adhering to these guidelines to ensure Piney Orchard Ice Arena can stay open and safely operate.

After entering the arena, the parent/guardian will be temperature screened by the front desk employee sign a waiver, and present arena entry pass. Once inside the arena, spectators may not loiter and must go their designated rink and find an X to watch the game or practice.

Visiting Teams should contact Piney Orchard in advance by email at gcremen@pineyicerink.com to submit Team Manager Information.

For Freestyle and Learn to Skate

Freestyle - Parent/Guardian must enter the building and check in with their skater

Learn to Skate - Learn to Skate participants and parents will enter the arena and go to designated Learn to Skate check-in table inside Rink 1. Learn to Skate participants and parents will check in, receive their pass, and then enter line to get temperature screened and sign waiver.

Once inside the arena, spectators may not loiter and must go their designated rink and find an X to watch the session.

During the Ice Session

Spectators must stay at least 6 feet apart AND wear face coverings for the entire duration of the session. Rink 1 will have designated X's in the bleachers where spectators must sit to observe their participant. Rink 2 will have designated X's behind the goal and along the side of the rink where spectators must stand to observe their participant. Failure to adhere to these policies will result in removal from the facility.

Conclusion of the Session

All spectators must leave through designated rink exit doors at the immediate conclusion of the ice session. No loitering inside the facility or by exit doors. Parents / Guardians should immediately return to their vehicles and wait for their child.
