Highlights as follows:

- The board will work with Western Hockey for jerseys ordering as Western now has the GetGitch contract
- Our budget was on track this year and the association was very close to our projected budget. The auditors will work on the financial statements and prepare for the AGM that will be held in June.
- The half boards are required to be moved out of the Pilot Butte rink. A quote for a storage unit will be looked into by our executive director
- Prairie storm is looking into hosting a Development 1 coaching clinic
- The board is working on ironing out dates for holding the AA evaluations and the U18 camps
- The equipment room in the Balgonie rink needs to be organized, board members will work on cleaning this up in the interim of not having an equipment coordinator
- The board motion and approved the purchase of QuickBooks program to supplement the registration form
- The U15F will be able to evaluate in Lumsden if they wish to pursue the AA team
- The U7 & U9 divisions will host their yearend tournament in 2024 but U9 and U7 will swap weekends as to when this will be held

- A discussion of the female programing was held for the upcoming season took place.

Adjourn 9:30PM
