

**JOHN R. DALE YOUTH HOCKEY MEMORIAL SCHOLARSHIP
APPLICATION FORM**

Menomonie native John R. Dale was a loving son, brother, husband and father with a true passion for hockey. At eight years old, John signed up as an initial member of the newly-formed Dunn County Youth Hockey Association, playing hockey as a “Cougar” for seven years and went on to play for Menomonie High School’s first hockey team in 1980. John’s love of hockey continued in adulthood, as he coached his son Jake’s hockey team in Hastings, MN. John, along with his wife Julie and daughter, Jenna, never missed a game. It is in his loving memory that this scholarship has been established by his family and many friends to provide one or more youth members from the greater Menomonie area with the opportunity to participate in the Menomonie Youth Hockey Association’s “Squirts” or “U10” program by covering the full registration cost.
